

FLEXILOO®

the most versatile toilet systems in the world

This years Showmans Show was another fantastic one!

We were able to bring a functioning Flexiloo[®] with us to the show which enabled visitor a better understanding of how it works, ease of set up and see how versatile Flexiloo[®] systems really are!!

Thank you to everyone that came to see us, we were truly overwhelmed with the amount of friendly faces. We would like to say a special thank you to those that travelled from overseas to the show this year, it was great to see you all. All show goers had the opportunity to use Flexiloo[®] in the main reception area and restaurants.

More orders means you will see a lot more Flexiloo[®] equipment at events next season, so keep your eyes peeled.

If you are interested in Flexiloo[®], now is the perfect time to find out more. You are always welcome to come and visit us at our premises just outside of Salisbury, Wiltshire so if you are in the area be sure to give us a call so we can get the kettle on!

The Office will be closed for the Christmas period from 23rd December at midday to the 3rd January.
