## Opera Holland Park 2019 Season

We have been busy over the winter months servicing and preparing Opera Holland Park's FlexilooFirst equipment for another busy season. It's now all ready to go and will be re-installed in early May.

Founded in 1996, Opera Holland Park is an opera company with a unique voice. Based in Kensington, they present a summer opera festival of fully staged productions in one of the most beautiful parks in the Capital. This year's season includes works by Puccini and Verdi, a rarity by Cilea, and a double bill on the theme of secrets and lies, in five new productions.
